LUNCH GUIDELINE FOR PARENTS

We understand how important it is to keep food properly refrigerated to maintain its freshness and safety. Here are some mandatory guidelines to help you ensure your child's lunch stays chilled and safe until it's time to eat:

- **Thermal Lunch Bag or Box (mandatory):** Invest in a good quality insulated/thermal lunch bag or box. These containers help maintain the temperature of the food, keeping it cooler for a more extended period.
- **Use Ice Packs (mandatory):** Place ice packs to keep the lunchbox cold. These frozen items will act as a cooling source and prevent the food from reaching unsafe temperatures.
- **Cleaning and Maintenance:** Clean your child's lunch bag or box regularly to prevent bacteria buildup and maintain its insulating properties.

By following these guidelines, you can help ensure that your child's lunch remains safely refrigerated until they're ready to enjoy it. Thank you for being proactive in keeping your child's food fresh and safe at our daycare! If you have any questions or concerns, please feel free to reach out to our manager Loani. We're here to assist you in any way we can.

Note: when using a bento box for your child's lunch, please avoid packing any food items that require heating before consumption. Bento boxes are designed for cold or room-temperature foods to maintain freshness and ensure a safe and enjoyable lunchtime experience at our daycare.

In August we are learning about

- The Ocean
- Camping

LATE PICK UP

We understand emergencies happen however this is a reminder that late pick up is not an option but merely a last resort with a late penalty due the next day at drop off. Teachers rely on our closing time as they have families to tend to, appointments and even secondary employment that is counting on them to arrive on time. **Please ensure you give enough time to collect your little one prior to our closing time of 5 pm.**

REMINDERS

- Label all items. (Check out Mabel's Labels or Oliver's Labels)
- Check that your child has spare clothes.
- **Bring a pack of baby wipes to facilitate hand and face hygiene.**

THANK YOU
